The date and time of the final exam is determined by the registrar and **may not be changed** except under extenuating circumstances. **Scheduling your travel home before the day of the final exam does not constitute a valid excuse for missing the final exam.** Failure to appear at the final exam will result in a zero on the final exam.

EXPECTATIONS

Academic Integrity: *As a Carolinian...I will practice personal and academic integrity.*

The University of South Carolina expects high standards in all areas from its students. The University, as well as the faculty, staff, alumni, and students believe strongly in the Honor Code. This Code requires acceptance of certain responsibilities and agreement by all students to abide by the spirit of the Honor Code upon entering the University of South Carolina. In order that you may better understand the required responsibilities, the general University community codes are outlined below.

- (1) It shall be the responsibility of every faculty member, student, administrator and staff member of the University community to uphold and maintain the academic standards and integrity of the University of South Carolina.
- (2) Any member of the University community, who has reasonable grounds to believe that an infraction of the Honor Code has occurred, has an obligation to report the alleged violation. Violation of any of the following standards subjects the student to disciplinary action: improper collaboration, cheating, lying, bribery, and plagiarism.

Your enrollment in this class signifies your willingness to accept these responsibilities and uphold the Honor Code of the University of South Carolina. Please review the Honor Code via <http://www.housing.sc.edu/academicintegrity>.

Any deviation from this expectation **will result in a grade of F in the course** and will result in disciplinary action through the Office of Academic Integrity.
